

Order deck and bin address tags

Hand a team one order card at a time. They plan on their own copy, then run one at a time on the shared judging mat. Every route starts and ends at DEPOT, moves only between orthogonally adjacent bins, and is scored by legal-move count before time. The address tags below can label physical bins or cups.

Order 1

A2A5B1

Start/finish: DEPOT Route: _____

Legal moves: _____ Time: _____ Missed/illegal: _____

Order 2

C3A3D6

Start/finish: DEPOT Route: _____

Legal moves: _____ Time: _____ Missed/illegal: _____
