

Order deck and bin address tags

Hand a team one order card at a time. They plan the shortest collision-free route across the mat, then run it and log the time. The address tags below can be cut and taped onto real bins/cups if you build a physical mat.

Order 1

A2A5B1

Plan the shortest route. Route: _____ Time: _____

Collisions: _____

Order 2

C3A3D6

Plan the shortest route. Route: _____ Time: _____

Collisions: _____

Order 3

B4D4C1

Plan the shortest route. Route: _____ Time: _____

Collisions: _____

Order 4

D2B5A6

Plan the shortest route. Route: _____ Time: _____

Collisions: _____

Order 5

C5C2B6

Plan the shortest route. Route: _____ Time: _____

Collisions: _____

Order 6

A1D1B3C4

Plan the shortest route. Route: _____ Time: _____

Collisions: _____
