

Drop-lane distance strip

Tape the strip flat down the lane with the 0 end at the launch line.

Landing-zone target

Lay the target flat where staff pick down the lane and line the crosshairs up with the lane center. A higher ring number is a better landing.

Ring 1

Outer ring. Your seed touched the target.

Ring 2

Good aim. Getting closer.

Ring 3

Close to the center.

Ring 4

Bullseye, right on the dot.
